INT. DR. ROXY'S OFFICE - DAY

DR. ROXY stands in front of a phone attached to a tripod and ring-light. She wipes a tear from her face. She is so fucking unhappy with her life because of years of pent up rage. She snaps to life and rehearses:

DR. ROXY  
Hey, guys! It's Dr. Roxy.

She gets mad at herself and hits herself in the face.

She snorts some NON-FDA approved lip filler and hits a huge fucking vape. She presses record. Her life is on the phone now :)

DR. ROXY (CONT'D)  
Hey, y'all!! It's your girl, Dr. Roxy! Welcome back to my Livestream. I am so happy with my life! And today I am going to be diving into the basics of your Brazilian Butt Lift.

She stares into the camera for a sec and forgets she exists. She snaps out of it.

DR. ROXY (CONT'D)  
So, on the first day you are going to be shaking! Tremors and seizures are so normal after your first BBL. Then, your buttocks will become inverted for a few weeks. It will look like a cave, but that's because the buttocks are just gaining energy. And if you have any questions, make sure to put them in the comments. I love interacting with my fans.

COMMENT SECTION crawls onto the stage.

COMMENT 1  
FYP.

COMMENT 2  
Can you help me get a boyfriend?

COMMENT 3  
@alyssa123

DR. ROXY

Thanks guys! Now, let's move on to the life threatening infections and post-procedure depression.

COMMENT 1

Come to Brazil!

DR. ROXY

It's all worth it for that perfect body :) Look at yourself in the mirror. Aren't you unhappy? The key to changing that is through body modifications AND supporting the growth of a woman owned business #I'm Still With Her.

COMMENT 2

Blue heart emoji.

COMMENT 3

Libtard.

An INSECURE SHAWTY enters. Dr. Roxy hides her camera kinda discreetly.

INSECURE SHAWTY

Hi. I'm here for my 10 o'clock appointment with Dr. Roxy.

DR. ROXY

Right. You must be nose- I mean Lexi.

INSECURE SHAWTY

Yes, that's me.

DR. ROXY

Then get in your gurney and tell me a little about yourself.

Dr. Roxy pushes the Shawty into a gurney.

INSECURE SHAWTY

I started snorting melatonin. Just to be cool. Then I transitioned to Adderall and Excedrin. Next thing I knew I was doing lines. Now my nose has a hole and I can't breathe.

DR. ROXY

Aww :( Would you like me to do your thin little lips too?

INSECURE SHAWTY

What? Do you think my lips are too thin?

DR. ROXY

All first time patients get a complimentary lip filler and vulva realignment.

INSECURE SHAWTY

I guess?

COMMENT 2

YASSIFY her.

DR. ROXY

But first! We need to get your treats. Would you like percs, oxy, or this non-FDA approved wellness serum. Billy Eichner endorsed it after he got his eyes replaced.

INSECURE SHAWTY

I'll have the percs.

DR. ROXY

Great choice. Would you like it in pill form, powder, or serum?

INSECURE SHAWTY

Powder.

DR. ROXY

Perfect! That's fast acting.

Insecure Shawty sits in the gurney.

COMMENT 3

She has a stale aura.

INSECURE SHAWTY

Are you recording rn?

DR. ROXY

No!

She winks to the phone

COMMENT 1

Do her butt.

DR. ROXY

The perc should be kicking in any second.

(MORE)

DR. ROXY (CONT'D)

Now if you don't mind, it's time  
for my top of the hour forehead  
injection.

INSECURE SHAWTY

What the fu--

Insecure Shawty falls limp in the gurney. Dr. Roxy pulls out  
a syringe and stabs her juicy, thick, luscious forehead.

COMMENT 2

5 head.

COMMENT 3

I love that juicy, thick, luscious  
forehead.

Dr. Roxy can't help but blush! She twirls her hair and kicks  
her feet up in the air.

DR. ROXY

Perfect! Hey guys, I think you know  
what time it is.

COMMENT SECTION

DR. ROXY

She composes herself.

DR. ROXY (CONT'D)

Next we are going to make an incision on the left nostril.

COMMENT 2

How come I gain weight but my ass is still flat?

DR. ROXY

You can take Dr. Roxy's patented SlayNutrient formula to maintain a skinny waist but juicy ass.

COMMENT 3

The SlayNutrient juice tastes like badussy.

DR. ROXY  
 IT TASTES GOOD. IT TASTES SO  
 FUCKING GOOD. I LOVE IT. IT'S SO  
 GOOD AND IT'S YUMMY. FUCK YOU GUYS.

Dr. Roxy ends the livestream. The Comment Section dies. Dr. Roxy is alone :(

DR. ROXY (CONT'D)  
 (weeps)  
 I'm so lonely.

INT. DR. ROXY'S OFFICE - LATER

The Insecure Shawty wakes up. The Insecure Shawty is now played by a different actor because Dr. Roxy altered her face so much. She is now REGULAR SHAWTY.

REGULAR SHAWTY  
 Is it over?

DR. ROXY  
 Yeah.

Dr. Roxy wipes away a few falling tears. She goes to the counter and crushes up a fun pill and snorts it.

Life returns to Dr. Roxy's eyes. She grabs her phone. The Comment Section comes back to life.

DR. ROXY (CONT'D)  
 And we are live! Remember that UGGO from earlier? Well, here she is!

REGULAR SHAWTY  
 What the fuck did you do to my face?

COMMENT 2

REGULAR SHAWTY

It doesn't look like my reference photo at all. I am going to sue you!

Regular Shawty exits.

Dr. Roxy is now in a catatonic state. :(
